HoReCa placemats h1025_51

Soft placemat for the HoReCa sector (43x36 cm). 2 mm thickness in eco-sustainable faux leather. Liquid-resistant, wear-resistant and washable.

The **h1025_51 catering placemat** is a soft solution with a refined design, conceived for table settings in dynamic and welcoming contexts. Characterized by rounded profiles and soft shapes, it measures **43x36 cm** and harmoniously adapts to any mise en place concept. Designed to solve operational issues related to wear and hygiene in the HoReCa sector, it features an internal cellulose board core and a double layer of **eco-sustainable faux leather** with a leather effect. This solid structure eliminates the risk of cracking or deterioration over time, offering an easily sanitizable and liquid-resistant surface. Enriched with refined stitching, it transforms the station into a professional style detail, combining elegance, functionality, safety, and sustainability.
