

Horizontal wall-mounted baby changing table h743_08

Horizontal wall-mounted baby changing table in shaped wood and metal, 83x56.2 cm. Space-saving foldable design for high-traffic public restrooms.

The **horizontal wall-mounted baby changing table** is a professional solution designed for equipping restrooms in public and commercial contexts. The structure combines the aesthetics of **shaped wood** with the robustness of a **metal** central part, ensuring durability even in high-traffic environments. Thanks to the foldable system, the device allows for efficient volume management, minimizing footprint when not in use and facilitating room accessibility.

Technical features

- **Material:** Shaped wood with metal central component
- **Fixing system:** Wall installation
- **Length:** 83 cm
- **Height:** 56.2 cm
- **Depth (open):** 60.5 cm
- **Depth (closed):** 22.5 cm
- **Configuration:** Foldable mechanism for space optimization
