

## Horizontal wood-effect changing table h743\_09

Horizontal wall-mounted baby changing table in shaped wood and metal (83x56.2 cm). Space-saving foldable structure ideal for public restrooms and the HoReCa sector.

The **horizontal wall-mounted changing table** represents a professional solution designed for equipping restrooms in public and commercial contexts. The design combines the aesthetics of **shaped wood** with the solidity of the central part in **white painted metal**, ensuring a structure resistant to loads and prolonged wear in high-traffic environments. The integrated closing mechanism allows for optimized space management, making the device almost concealed when not in use.

## Technical features

- **Structure material:** Shaped wood with central metal section
- **Central finish:** White metal band
- **Configuration:** Wall mounting (vertical fixing)
- **Height:** 56.2 cm
- **Length:** 83 cm
- **Depth in open position:** 60.5 cm
- **Depth in closed position:** 22.5 cm
- **Mechanism:** Foldable with reduced footprint
