

## Hospital dressing trolley h448\_56

Hospital sanitary dressing trolley in aluminum and stainless steel complete with waste basket. Available in various finishes. Dimensions: H.86 x W.76 x D.45 cm.

**The dressing trolley with aluminum and stainless steel structure** is ideal for all **medical-healthcare and hospital activities** and for all professionals who need mobile support during **dressing** operations. The trolley is equipped with an **upper tray** and a **lower tray** in **stainless steel**, both removable.

The base of the product is instead made of **ABS**, a material very **resistant to impacts** and wear over time. The **four swivel wheels** with a diameter of 75 mm allow for **rapid movement of the trolley** from one environment to another. Thanks to the convenient **12L side bucket**, it is possible to dispose of waste without contaminating the trays.

The convenient drawer is available in the following colors: blue, light green, purple, red, white, and orange.
