

## Hospital dressing trolley h448\_57

Medical dressing trolley in aluminium and stainless steel. Available in different finishes. Dimensions: H.86 x W.76 x D.45 cm.

**The dressing trolley with aluminium and stainless steel structure** is ideal for all **medical-healthcare and hospital activities** and for all professionals who need mobile support during **dressing** operations. The trolley is equipped with an **upper** and a **lower tray in stainless steel**, both removable.

The product base is instead made of **ABS**, a material very **resistant to impacts** and wear over time. The **four swivel castors** with a diameter of 75 mm allow for **rapid movement of the trolley** from one environment to another.

The convenient drawer is available in the following colours: blue, light green, purple, red, white and orange.
