

Hospital dressing trolley h448_59

Medical dressing trolley in aluminum and stainless steel. With two drawers and trays. Dimensions: H.86 x W.90 x D.45 cm.

The dressing trolley with aluminum and stainless steel structure is ideal for all **medical-sanitary and hospital activities** and for all professionals who require mobile support during **dressing** operations. The trolley is equipped with an **upper tray** and a **lower tray** in **stainless steel**, both removable.

The base of the product is instead made of **ABS**, a material highly **resistant to impact** and wear over time. The **four swivelling wheels** with a diameter of 75 mm allow for **rapid movement of the trolley** from one environment to another.

The product is equipped with two convenient upper drawers, available in the following colors: blue, light green, purple, red, white and orange. The side finishes are also matched to the color of the drawers.

Thanks to the 12L PVC side bin, it is possible to dispose of waste directly without contaminating the trays.

Technical features:

- Frame material: aluminum and stainless steel
- 2 removable stainless steel trays
- ABS base
- 2 Drawers available in the following colors: blue, light green, purple, red, white and orange
