

Hospital dressing trolley h527_06

Hospital dressing trolley (medium) in metal and aluminum with 4 drawers. Dimensions: W 77 x D 60 x H 101 cm.

Dressing trolley for hospitals, clinics, and nursing homes. With **structure** made of **powder-coated tubes, easy to handle and stable. Front pillars, sides, and back in powder-coated aluminum.** The trolley is characterized by **rounded lines**, ensuring maximum stability and excellent maneuverability.

The **front part** of the trolley is equipped with **4 injection-molded plastic drawers with rounded edges**, with **plastic handles complete with label holders**. The drawers are sliding on full-extension guides, with self-closing and lever release system. The **drawer locking** is achieved with a **centralized lock** positioned on the front edge.

The **right side** is equipped with a **waste bin**. The **left side** is equipped with a **pull-out extra shelf with 3 unbreakable plastic trays**. The **top shelf**, also in plastic material, is complete with **3 containment edges, easy to clean. Base with side bumpers** complete with **4 wheels** diam. 125 mm, of which 2 with brake and 2 swivel.
