

## Hospital dressing trolley h624\_27

Dressing trolley with 2 fixed shelves. Dimensions: 600 x 400 x H.900 mm.

**The medical trolley** with a self-supporting tubular structure is an indispensable element for setting up emergency areas and medical offices. The product features a **single body** with **4 swivelling wheels** at the base, Ø75mm, 2 of which have a braking system, ensuring easy transport. The trolley allows for the management and organization of small medical instrumentation and the necessary items for dressings and small interventions. The structure is also equipped with **2 fixed shelves** and a **push handle**.

### Technical features:

- Self-supporting tubular structure Ø27x2mm
- 2 fixed shelves
- Shelf unit capacity: 50 kg
- Push handle
- 4 swivelling wheels Ø75mm
- 2 electrically conductive wheels with simple brake
- Silicone bumpers
- Dimensions: 600 x 400 x H.900 mm
