

Hospital screen with 2 panels in chromed steel and PVC h654_13

Hospital screen h654_13 with 2 panels with Ø 22 mm chromed steel structure and white fireproof PVC curtain. Dimensions W. 100 x h. 163 cm, weight 6.5 kg. Ideal for privacy and hygiene in healthcare environments.

The **h654_13** hospital screen is the ideal solution for healthcare environments where it is necessary to guarantee **privacy**, **hygienic safety** and **durability over time**. Designed for professionals who need a sanitary partition that is easy to maintain and ready to use, it combines practical design and quality materials, offering an efficient and long-lasting solution.

The structure is made of **tubular chromed steel** with a diameter of 22 mm, a robust and durable material that ensures **stability and resistance** even after prolonged use. The **chromed finish** not only gives a professional and elegant appearance, but also facilitates daily cleaning, reducing the risk of contamination.

The **curtain is in white fireproof PVC**, designed to ensure maximum **hygiene**. The material is **easily disinfectable**, ideal for environments subject to rigorous sanitization protocols such as hospitals, clinics, medical offices and surgeries. The smooth surface of the curtain prevents the accumulation of dust and bacteria, contributing to the maintenance of high hygienic standards.

The **2-panel** design allows for a private space to be delimited in a simple and effective way, facilitating examination or treatment operations while respecting patient confidentiality. Thanks to its **low weight of approximately 6.5 kg**, it can be easily moved within the room according to needs. The **compact dimensions (W. 100 x h. 163 cm)** make the screen suitable even for environments with limited space, without sacrificing functionality and visual comfort.

Technical characteristics

- **Structure:** tubular chromed steel Ø 22 mm
- **Curtain:** fireproof PVC, white color
- **Number of panels:** 2
- **Single panel dimensions:** W. 50 x h. 163 cm
- **Total dimensions:** W. 100 x h. 163 cm
- **Weight:** approx. 6.5 kg

Optional

- **Kit 6 wheels** for 2-panel screen
