

## Hotel and office minibar 40 L with glass door h3447

40 L glass door minibar with silent absorption technology and LPC. Made in Italy, transparent glass door, Stand-by function, and LED light. W39xD46xH54.4 cm

The **Hotel minibar 40 L h3447** is a **Made in Italy** refrigerated display cabinet that combines refined design with state-of-the-art technological management. This model addresses the need for visibility and silence in hotel rooms thanks to its **fully transparent glass door**, specifically designed to **encourage consumption** by guests. Efficiency is guaranteed by the **LPC (Low Power Consumption)** electronic system and a super-silent, new-generation absorption unit. A distinctive feature is the **Stand-by function**, which further reduces energy costs by automatically adjusting the temperature to the minimum in case of prolonged non-use. Suitable for both built-in and free-standing installation, the h3447 model integrates internal LED lighting that enhances product display, making it a prestigious element for any hospitality facility.

## Technical specifications
