

Hotel and office minibar with 75-liter freezer compartment h3458

75-liter minibar with -10°C freezer compartment. Professional compressor system, panel-ready door available in white or black. Slim dimensions W45xD43.5xH79.5 cm.

The **Hotel and office minibar 75 liters h3458** is a high-performance cooling unit designed for those who require superior storage capacity in a "slim" and elegant format. Thanks to its powerful **compressor operation**, this model ensures constant and rigid temperatures, making it ideal not only for drinks but also for food preservation. The distinguishing feature is the **integrated freezer compartment** capable of reaching -10°C , a technical specification that elevates it above common room minibars.

Available in **white and black**, it is paired with a **panel-ready door**, making the h3458 model the optimal solution for hidden integration within built-in furniture or equipped desks, maintaining aesthetic cleanliness and professional functionality.
