

Hotel and office minibar with freezer compartment h3428

85 lt minibar with 12.8 lt freezer compartment. Made in Italy compressor system, reversible door and interchangeable panel. Dimensions 48.5x48.5x78.9h cm.

The **Hotel and office minibar with freezer compartment h3428** is a versatile and spacious cooling solution, designed to elevate the standard of comfort in **executive offices, conference rooms and hospitality settings** that require superior performance. Made entirely in **Italy**, this model stands out for its powerful **compressor operation**, capable of guaranteeing rigid and constant temperatures even for the preservation of frozen foods in the **integrated 12.8-liter freezer compartment**. The structure solves the problem of aesthetic rigidity thanks to the **interchangeable panel** and the reversible door, allowing for total customization and a harmonious placement both as a free-standing unit and within built-in furniture. The presence of a dedicated **fruit drawer** optimizes internal organization, making it a complete and functional technical furnishing accessory.
