

## Hotel and office minibar with freezer compartment h3434

39 lt minibar with 3.6 lt freezer compartment and Made in Italy compressor system. Energy class E, reversible and panel-ready black door. W39xD41.5xH54.4 cm.

The **Hotel minibar h3434** is a compressor cooling unit that combines compactness and high performance, manufactured entirely in **Italy**. Designed to meet the needs of modern hospitality structures, this 39-liter minibar solves the need for storage at very low temperatures thanks to the integration of a practical **3.6-liter freezer compartment**. Its elegant line, characterized by a **black panel-ready door**, makes it the ideal choice for installation within built-in furniture, ensuring perfect aesthetic integration with the room decor. Thanks to **Energy Class E** and an extremely low consumption of only 0.219 kW/24h, the h3434 model represents an efficient and reliable solution for offering guests a complete bar service, enhanced by internal LED lighting.
