

Hotel bathroom hair dryer h218_161

Professional wall-mounted 1800W hair dryer in black ABS and chrome steel. Equipped with 2 speeds, 2 temperatures and double safety button for hotels.

The **professional hair dryer h218_161** is a technical furnishing solution designed for the bathrooms of hospitality facilities looking for a combination of modern aesthetics and high performance. Made with a **matte black ABS body and chrome steel details**, this pistol-grip model solves the problem of efficiency in high-turnover contexts such as **hotels, resorts and wellness centers**. Thanks to the adjustable power up to 1800 W, the device guarantees fast and comfortable drying, comparable to high-end domestic devices but with the security of **wall mounting**. Operation is managed by a double control system: a general ON/OFF switch and a safety button that prevents accidental activation, ensuring that the dryer works only when correctly held by the user.
