

KIT MENSOLE
BAGNO HOTEL

Hotel bathroom shelf set h438_280

Black stainless steel hotel bathroom accessory set. Includes circular towel rack, bar towel rack, and glass shelf. Coordinated design.

The bathroom accessory set is specifically designed for furnishing hospitality facilities that require a complete and stylistically consistent solution. Made of **stainless steel** with a **black finish**, these elements combine mechanical resistance with a modern aesthetic, ideal for enhancing the bathroom environment while ensuring functionality for guests. The kit allows for optimal management of linens and courtesy products through three fundamental supports designed to last over time even under intensive use conditions.
