

## Hotel bathroom soap dish h438\_287

Rectangular zinc soap dish with matte white finish for wall-mounted installation. Dimensions 13.7x9.6x3.8 cm. Ideal for the HoReCa sector.

The **wall-mounted rectangular soap dish** is a solution designed to optimize the functionality and aesthetics of the washbasin area within hospitality structures. The choice of **zinc** as a construction material ensures a lightweight yet resistant structure, suitable for the stresses typical of continuous professional use in high-humidity environments. The **matte white** finish gives a modern and minimal appearance, integrating harmoniously into the bathrooms of hotels and resorts with a contemporary design.
