

Hotel coat hangers h464_223

Maple wood hanger for hotels (W 45 cm) with standard metal hook, non-slip trouser bar and skirt notches. Solid and functional.

The **h464_223 coat hanger** represents a professional solution for setting up wardrobes in the **HoReCa** sector. Made of **laminated maple wood**, this hanger is designed to meet the needs of hotels and bed and breakfasts requiring solid and versatile support. The product integrates a high-resistance standard metal hook, designed to withstand frequent use and constant loads. Thanks to the multifunctional configuration, which includes a **non-slip bar with rubber strip** for trousers and specific notches for skirts, the hanger effectively solves the problem of order within wardrobes, ensuring the perfect hold of various types of clothing.
