

## Hotel display minibar 30 lt h3410

30 lt h3410 display minibar with full transparency glass door. Absorption system, LED light and compact dimensions 40.2x41.2x50h cm.

The **Hotel display minibar 30 lt h3410** is the ideal display solution for accommodation facilities that want to maximize internal sales (cross-selling). Thanks to its **full transparency glass door** and modern internal LED lighting, this minibar creates an eye-catching aesthetic effect that **encourages consumption** by the guest, making products immediately visible. The device solves the noise problem in rooms thanks to **absorption technology**, which ensures maximum silence during night rest. With an excellent quality-price ratio and optimal cooling capacity, the h3410 model combines an elegant design with low consumption, perfectly adapting to modern and dynamic hotel contexts.
