Hotel kettle with tray h31_328

Hotel welcome set with black ABS tray (25.5 cm) and 1.2-liter stainless steel kettle. Compact design with stainless steel grill and VDE plug.

The **welcome set with integrated tray** is a cutting-edge technical solution designed to optimize hospitality in hotel rooms, B&Bs, and resorts. The kit combines a **1.2-liter stainless steel kettle** with a technical black ABS tray, effectively solving the problem of clutter on room furniture. Thanks to the stainless steel grill dedicated to the organization of cups and sachets, the set ensures a break area that is always clean and decent. The power of **1350 W** ensures rapid heating of the water, meeting the pace of the professional target, while the **VDE plug** certifies a superior electrical safety standard, fundamental for intensive use in the hospitality sector.
