

Hotel luggage rack in beech 65x48 h16420

Folding luggage rack in beech wood with nylon straps. Dimensions: 65.5 x 38.5 x 48.5 cm, 50 kg load capacity. Space-saving solution for hotels and B&B.

The **hotel luggage rack in beech wood** is an essential furnishing accessory designed to improve guest comfort in hotels, bed and breakfasts, and accommodation facilities. Made with a **sturdy wooden structure**, this luggage stool combines a simple and natural design with maximum practical convenience. Its main function is to provide a stable support surface for bags and luggage, solving the problem of placing loads on beds or floors. Thanks to its **folding structure**, the product is extremely versatile: when not in use, it can be stored with a minimal footprint, facilitating room cleaning operations and space optimization in small environments.
