

Hotel luggage rack in steel h514_09

Matte black steel luggage rack. Dimensions: 530 x 370 x H 530 mm.

The **h514_09 hotel luggage rack** is a professional luggage carrier made with a **matte black steel** structure, designed to offer a perfect balance between aesthetics and functionality. Characterized by a fresh and modern design, its timeless shape makes it an extremely versatile furnishing accessory, capable of naturally adapting to both **classic hotel rooms** and more contemporary contexts. The product meets the operational need to optimize space thanks to its **lightweight and foldable** structure, which allows the object to be easily stored when not required by the guest. The target audience includes hotels, bed & breakfasts, and accommodation facilities looking for an **affordable and well-designed** solution to improve room comfort without sacrificing the robustness of steel.
