

## Hotel luggage rack with backrest 62x68 h16418

Folding luggage rack in chrome-plated steel with wall-saving backrest and nylon straps. Dimensions: 62 x 51.5 x 68 cm. Ideal for hotels and B&Bs.

The **hotel luggage rack with backrest** is a functional and elegant solution designed to optimize the welcome in hotel rooms, B&Bs and accommodation facilities. Made with a sturdy **chrome-plated steel structure**, this complement integrates harmoniously into any style of furniture, guaranteeing stable and secure support for guests' luggage. The main function is to solve the problem of wall wear and luggage clutter on the floor: thanks to the **integrated wall-saving backrest**, the luggage rack prevents direct contact of the suitcase with vertical surfaces, preventing scratches and stains. The **folding** nature of the support responds to the operational needs of space management, allowing staff or guests to store the object in a wardrobe or behind a door when not in use.
