

## Hotel luggage trolley h22\_189

Brass-plated steel luggage trolley with carpet and bumper. Dimensions W108xD76xH189 cm. Ideal for transporting suitcases and clothes in hotels.

The **brass-plated steel luggage trolley** represents the professional solution for managing guest reception flows in high-profile accommodation facilities. Designed to combine the aesthetic elegance of brass with the mechanical strength of steel, this tool allows hotel staff and concierges to transport **luggage, bags, and coats** with extreme practicality and without effort. The structure is designed to solve the operational problem of multiple loads, offering a wide base for suitcases and a top rail for hanging garments. The refined design integrates perfectly into the lobbies of **hotels, resorts, and boutique hotels**, ensuring a smooth and safe portage service thanks to the perimeter rubber protection that preserves furniture and walls from accidental impacts.
