

Hotel luggage trolley h24237

Compact stainless steel luggage trolley with 40x40 cm base and grey mat. Wheels Ø200 mm for maximum smoothness. Ideal for hotels and resorts.

The **stainless steel luggage trolley** is a compact and high-performance technical solution, designed for accommodation facilities that need a manageable tool without sacrificing robustness. The stainless steel structure guarantees superior resistance to corrosion and a minimal aesthetic that fits **hotel lobbies, resorts and boutique hotels**. Thanks to its 40x40 cm square base, it solves the operational problem of handling in confined spaces or small elevators, while offering optimal stability for vertical loads. The integrated grey mat protects the base and luggage from scratches and slips, ensuring a silent and professional portage service, ideal for the **target of hospitality professionals** seeking durability and style.
