

Hotel luggage trolley h712_33

Two-wheeled gold-colored stainless steel luggage trolley with 45 cm folding shelf. Ø 2.5 cm tubular frame and elegant aesthetics. Dim. 61x70.5x121 cm.

The **gold-colored stainless steel hotel luggage trolley** is the ideal solution for hospitality facilities wishing to offer their guests a reception service characterized by maximum comfort and refinement. Designed to facilitate the transport of suitcases to rooms, this tool solves the operational problem of manual luggage handling, reducing staff physical effort and improving check-in efficiency. The **brass-plated finish** gives the frame a prestigious aesthetic, perfect for boutique hotels and historical contexts, while the **folding shelf** allows for space optimization when the trolley is not in use.
