Hotel minibar h438_213

Professional 40 lt minibar with glass door and Peltier Cell system. Silent (0 dB). Dim. W42xD40xH57 cm.

The **Hotel minibar h438_213** represents the ideal solution for hospitality facilities seeking a balance between aesthetics and technological functionality. Designed specifically for **hotels, holiday homes and B&Bs**, this **40-liter** minibar meets the operational need to offer an impeccable courtesy service without interfering with the guest's rest. Thanks to the thermoelectric cooling system with **Peltier Cell**, the device operates in total absence of noise and vibrations, solving the common problem of mechanical humming in bedrooms. The **reversible glass door** not only enhances the room's decor, but also allows for immediate management of internal stocks, encouraging consumption by the final user.
