

Hotel minibar h76_102

31-liter retro minibar in white steel. Silent, with electronic thermostat and cyclic defrost. Ideal for design hotels and B&B.

The **hotel minibar h76_102** is a 31-liter cooling solution that combines a refined **retro style** aesthetic with the modern efficiency needs of the hospitality sector. Specifically designed for hotel rooms, B&Bs, and charming structures, this minibar solves the problem of acoustic impact in sleeping areas thanks to its **completely silent** operation. The white finish and external handle make it a distinctive furnishing element, capable of integrating into contexts that require a curated visual identity without sacrificing the practicality of **freestanding** or built-in installation.
