

Hotel minibar with glass door 55 liters h3450

55 Lt h3450 glass display minibar with silent absorption. LPC Technology Made in Italy, full transparency glass door and low consumption standby function.

The **Hotel minibar 55 liters h3450** is a high-end display cooling unit, designed to combine the elegance of **Made in Italy** with cutting-edge technological performance. This model solves the need to stimulate in-room cross-selling thanks to the **glass door** with full transparency, which enhances the internal assortment and **actively encourages consumption** by the guest. The heart of the device is a new generation absorption system, extremely efficient and characterized by **absolute silence**. The integration of the **LPC (Low Power Consumption) electronic system** optimizes cooling cycles, while the **standby function** intervenes during periods of prolonged inactivity by regulating the temperature to the bare minimum, thus ensuring a drastic reduction in the overall energy requirements of the facility.

Technical features

- **Production:** Made in Italy
- **Capacity:** 55 lt
- **Refrigeration system:** latest generation silent absorption system
- **Technology:** low consumption LPC system with standby function
- **Door:** in transparent glass
- **Energy class:** G
- **Net weight:** 19 kg
- **External dimensions:** W 485 x D 465 x H 560 mm
- **Power supply voltage:** V 230
- **Power consumption:** 1.15 kW/24h
- **Thermal performance:** internal temperature 6°C with 25°C ambient
- **Maintenance:** automatic defrost
- **Closing:** magnetic for a perfect seal
- **Internal layout:** double shelf
- **Lighting:** internal light not available
- **Cabinet color:** black
- **Warranty:** 2 years
