

Hotel minibar with solid door h76_106

Black 40L minibar with solid door and thermoelectric technology. 0 dB silence, dimensions W 44.1 x D 43.2 x H 56.6 cm. Ideal for hotels and B&Bs.

The **H76_106 hotel minibar** is a 40-liter professional refrigeration solution, designed to ensure maximum acoustic comfort inside rooms thanks to its **0 dB thermoelectric technology**. Featuring a discreet design with a matte black solid door, this model meets the needs of accommodation facilities looking for a spacious yet unobtrusive device, capable of integrating into any furnishing style without generating vibrations or annoying noises during guests' rest. The optimized internal structure allows for the storage of **1.5-liter bottles** and snacks, solving the common problem of limited space in standard minibars.
