Hotel room iron h742_58

2-in-1 iron with steamer, ceramic soleplate and 330 ml tank. Powerful, practical and safe, ideal for hotels. Dimensions: W 45 x D 12.5 x H 12 cm.

The **hotel room iron h742_58** is a versatile 2-in-1 solution that combines the functionality of a traditional iron with the convenience of a steamer. Designed to offer guests complete fabric care, this **1500 W** device reaches operating temperature quickly, reducing waiting times. The **non-stick ceramic soleplate** ensures optimal glide, while the generous **330 ml** tank allows for extended ironing sessions without interruption. Thanks to the continuous steam flow of 28 g/min and a pressure of 1 bar, it effectively solves the problem of stubborn wrinkles on both flat and hanging garments. The safety of the structure is guaranteed by integrated **automatic shut-off** systems, anti-calc protection, and a self-cleaning function, which preserve performance over time while reducing the need for technical maintenance.
