## Hotel room luggage rack h16447

Steel luggage rack without backrest with nylon straps. Dimensions: H.480 x D.400 x W.620 mm.

The **hotel room luggage rack** represents an essential accessory to optimize hospitality in hotels and Bed & Breakfasts. Made with a **tubular steel structure** with a modern black finish, this support offers a practical and professional solution for storing bags and suitcases, avoiding the clutter of luggage on the floor. The **without backrest** configuration allows for great positioning flexibility within the room, while the integrated **plastic feet** ensure maximum protection of floor surfaces from scratches or marks. Thanks to its low weight of only 1.9 kg and its ability to fold completely, it effectively solves the problem of temporary storage, disappearing into only 55 mm of thickness when not needed.
