

Hotel service trolley h464_306

Professional stainless steel service trolley with 3 shelves, 85.5x53.5x93 cm. 128 kg capacity, ideal for clearing and logistics in the HoReCa sector.

The **h464_306 service trolley** is a professional solution designed to optimize clearing and handling operations within restaurants, hotels, and canteens. The structure, made entirely of **stainless steel**, meets the most rigorous hygiene standards and guarantees high resistance to corrosion and daily mechanical stress. The three-level configuration allows for rational workflow management, facilitating the simultaneous transport of heavy dishes, cutlery, and trays.
