

## Hotel steel luggage rack with leather straps h514\_03

Stainless steel hotel luggage rack with three sturdy leather straps. Straps available in various colors. Load capacity: 60 Kg.

The **hotel room luggage rack** is a furnishing accessory with a modern and attractive design, specifically engineered to optimize **narrow spaces** in hospitality facilities. Made of **stainless steel** with an elegant brushed chrome finish, the support integrates **three sturdy leather straps**, available in different colors to best suit the room's layout. This solution solves the operational problem of managing luggage in compact environments, while ensuring a professional aesthetic and high resistance, ideal for the **HoReCa target** looking for durability and style. When not in use, the folding mechanism allows the item to be stored while taking up very little space.
