

## Hotel welcome tray h41426

Modular high-resistance ABS welcome tray for hotels and B&B. Functional design with base, accessory tray and sachet compartments. Dimensions 37x32 cm, available in white or black.

The **professional courtesy set tray** is a versatile and robust solution, designed for the setup of coffee & tea station corners in hotels, holiday homes and bed & breakfasts. Made entirely of **high-quality ABS**, this set stands out for its exceptional resistance to impact, scratches and heat, in addition to being a non-porous material extremely easy to sanitize between stays.

The modular design is conceived for maximum practicality: the set consists of a **carrying tray that acts as a base**, a smaller accessory tray ideal for cups or glasses, and a series of **integrated compartments** dedicated to the organization of tea bags, instant coffee and sugar. Available in **white or black** color variants, this welcome tray allows for keeping the room tidy, while protecting the furniture from the heat and humidity typical of kettle use.

## Technical features
