FAQ:

1. Are the boxes removable?

Yes, each individual box can be removed to facilitate filling and cleaning.

2. **What is the capacity of each box?**

Each box can contain an adequate number of cones for continuous service, but capacity varies based on the size of the cones used.

3. **How do I clean the cone holder?**

We recommend cleaning with a damp cloth and mild detergents to maintain the transparency of the plexiglass.

4. **Can I use this cone holder for other products as well?**

Yes, it can be used to display small snacks or packaged accessories.

5. **Is the cone holder stable on the counter?**

Yes, it is designed for stable and safe support on any ice cream counter.

Mini buying guide:

Choose a **plexiglass cone holder** for a hygienic and orderly presentation of cones on your ice cream counter. Check the box dimensions to ensure they fit the cones you usually use. Opt for a model with individual boxes for greater flexibility and ease of cleaning. A transparent design helps you quickly check stock and keep the counter always tidy.
