

Inclusive picnic table and benches h287_371

Inclusive picnic table in powder-coated galvanized steel. Seat height: 45 cm. Dimensions: W 200 x D 180 x H 77 cm.

The **H287_371 inclusive picnic table** is a solid, resistant and accessible solution, designed for **urban furniture** contexts, such as **public parks, equipped green areas, schools, campsites, play areas and recreational zones**. It stands out for its **inclusive version**, with the **tabletop extended by 50 cm on one side**, which allows easy access for people with motor disabilities or in wheelchairs.

The **structure** is made of Ø 50 mm **galvanized steel round tubular**, while **seats, backrests and tabletop** are constructed with 40x20 mm **oval steel tubular slats**, closed with **black polyethylene** finned end caps. The frame and metal surfaces undergo a complete **epoxy powder coating** process, which includes: steam degreasing, drying, electrostatic powder application and **oven curing at 180-200°C**, to ensure a **resistant, homogeneous and long-lasting finish**.

All metal parts are made with **non-toxic paints complying with current regulations**, and the galvanized hardware meets the **UNI 3740** standard, ensuring resistance to corrosion and atmospheric agents. The product is supplied with an **assembly kit**, and **ground anchoring** guarantees stability and safety even in very busy environments.

The benches are designed and built in compliance with the **UNI 11306:2020** standard, which regulates safety requirements and test methods for urban furniture.

Choose resistant, safe and truly accessible urban furniture like the **H287_371 inclusive picnic table**. Contact us for a custom quote or large quantity supplies!

Technical features:

- **Type:** Inclusive picnic table
- **Structure:** Ø 50 mm galvanized steel frame
- **Seat and top:** 40 x 20 mm oval steel slats with black PE end caps
- **Finish:** Epoxy powder coating, oven-cured
- **Painting:** Non-toxic, weather and UV resistant
- **Color:** Available in different colors
- **Hardware:** UNI 3740 galvanized
- **Reference standards:** UNI 11306:2020
- **Total dimensions:** W 200 x D 180 x H 77 cm
- **Seat height:** 45 cm
- **Assembly:** Supplied with assembly kit
- **Anchoring:** flush to the ground

User benefits:

- **Designed:** for the inclusion and accessibility of people with disabilities.
- **Resistant:** safe, ideal for high-traffic public areas.
- **Finish:** anti-corrosion and UV-resistant for long life outdoors.
- **Ease:** of maintenance thanks to treated materials and non-toxic paints.
- **Compliant:** with technical safety regulations and certified quality.

FAQ:

1. **What does “inclusive version” mean?**
The table is equipped with an extension on one side to allow comfortable access for people in wheelchairs.
2. **Is it suitable for installation in public parks?**
Yes, it is specifically designed for urban furniture and resistant to intensive use and outdoor weather conditions.
3. **How is it installed?**
Ground anchoring is provided via ground-level fixing. The assembly kit is included in the package.

4. **Is the coating resistant?**

Yes, the metal parts are treated with oven-cured epoxy powder coating, ensuring durability, aesthetics and resistance to atmospheric agents.

5. **Does the product comply with specific regulations?**

Yes, the benches are built according to the safety requirements and test methods of the UNI 11306:2020 standard.

Mini buying guide:

When choosing a picnic table for urban furniture, it is important to consider the **sturdiness of the structure**, especially in high-traffic environments.

This model, thanks to its **painted galvanized steel** construction, guarantees resistance to rust, impacts and degradation from sun exposure.

For public areas, it is also essential to evaluate the **inclusivity of the design**: the side extension makes the product accessible even to users with disabilities. Furthermore, compliance with technical regulations such as UNI 11306:2020 is synonymous with safety for all users. Finally, choose models with **ground fixing** to prevent vandalism and ensure stability.

Inclusive picnic table urban furniture, accessible table for the disabled for parks, galvanized steel urban furniture, picnic table with integrated seats, inclusive furniture public areas, resistant outdoor steel table.
