

Inclusive Seesaw h575_61

4-seater seesaw. Inclusive.

Four-seater inclusive seesaw that promotes interaction between all children, educating **for inclusion and encouraging socialization**. The **hand-shaped seat** equipped with a backrest provides the necessary support to make play **accessible to everyone**, thus expanding the base of potential users.

The structure is made with **80x80 mm aluminum posts**, with rounded corners (r. 10 mm), while the **seats are in colored HDPE** (thk. 19 mm) and the **polyethylene handles**. The friendly decorations, engraved in HDPE panels of various thicknesses, add a touch of good humor and color, making play more cheerful.
