

Instrument supply table with bottom shelf h727_02

Operating theatre instrument supply table in AISI304 stainless steel with swivel wheels. Dimensions: L.1500xD.700xH.900mm

Stainless steel instrument supply table ideal for **operating theatres of polyclinics and hospitals**. Equally suitable for use **at veterinary clinics and first aid centers**. The instrument table has a tubular structure supported by **4 antistatic and swivel wheels**, 2 of which are equipped with brakes that facilitate the **fast movement of the table** based on use and necessity. Equipped with a **smooth top with rounded edges** and an upright with hooks. A particular **advantage** of this model is the bottom shelf for **further support and transport of instruments**, complete with a retaining rod on three sides.
