

Instrument trolley h448_65

Medical equipment trolley in epoxy-painted steel and aluminum equipped with three shelves and one drawer. Dimensions: W.65 x D.56 x H.94 cm.

The medical equipment transport trolley is an indispensable product for those who own **medical equipment** and **laboratory instruments**. The product is therefore ideal for **hospitals, clinics, outpatient surgeries and all health-medical activities**. Thanks to this medical equipment transport trolley, **moving instruments from one room to another becomes practical and, above all, safe thanks to its solid structure**. The upper shelf is made of **ABS**. The convenient drawer located under the upper shelf allows for storing small equipment or disposable products. The **four swivel wheels** with a diameter of 100 mm allow for quick and safe movement. The **two brakes**, on the other hand, guarantee a **firm anchoring to the ground, preventing instruments from sliding away**.

The **drawer** and **side details** of the trolley are available in the following colors: blue, light green, purple, red, white, orange.

Technical features:
