

## Ironing board with hanging rail h164\_85

Professional ironing board with aluminized anti-scorch cover and hanging rail. 7 adjustable heights, mesh surface and ultra-slim design (6.5 cm).

The **professional ironing board** is an indispensable accessory for hotels and accommodation facilities wishing to offer their guests a high-quality ironing experience. Characterized by an elegant design in black and light gray, this board combines a **lightweight and robust structure** with advanced features for the hospitality sector. The surface is equipped with an **aluminized anti-scorch cover** that reflects heat evenly, ensuring quick and effective ironing and avoiding the formation of heat spots on delicate garments.

The peculiarity of this model is the **integrated hanging rail**, which allows for neatly organizing ironed garments directly on the station. The **mesh structure** surface facilitates the passage of steam through the fabrics, removing creases with less effort. Thanks to the **7 adjustable height positions** and multi-surface non-slip feet, the board ensures absolute stability on every type of floor, from parquet to carpet, adapting perfectly to the ergonomic needs of every user.
