

Kettle with tray for hotel h76_98

Professional welcome set with 1.2 L stainless steel kettle and ABS tray in wengé finish. Includes drip tray and sachet compartments.

The welcome set consisting of **stainless steel kettle and ABS tray** represents a complete and elegant solution for the setup of hotel rooms, bed & breakfasts, and holiday homes. This system is designed to centralize the hospitality service, solving the problem of clutter and water stains on furniture surfaces. The tray, characterized by a refined **wengé finish**, integrates practical compartments for organizing tea, coffee, and sugar sachets, as well as a **perforated stainless steel drip tray** that ensures maximum hygiene during dispensing.

The 1.2-liter kettle, with a power of **1350 W**, ensures rapid and efficient boiling. Safety is guaranteed by the hinged lid with safety lock and automatic shut-off when the temperature is reached. The structure is designed for intensive professional use, with a heat-resistant handle that prevents burns and a power base integrated directly into the tray for tidy and safe cable management. The target audience is hospitality facilities that wish to offer a premium welcome experience with a **CE and RoHS2 certified** accessory.
