Key cabinet 300 hooks h42_45

Professional steel key cabinet with 300 adjustable hooks, cylinder lock and dimensions 380x205x550 mm for intensive management.

This **professional key cabinet** is designed for the centralized and secure management of large volumes of keys in high-rotation contexts. The structure is designed to maximize internal organization thanks to the **adjustable hook bars**, which allow the space to be adapted according to the length and volume of the stored keys. Security is guaranteed by a precision **cylinder lock** , while the **powder coating** finish ensures long-lasting protection against scratches, bumps and surface corrosion.

Technical features

- **Capacity:** 300 key hooks
- **Dimensions:** W. 380 x D. 205 x h. 550 mm
- **Weight:** 14 kg
- **Material:** Steel with powder finish
- **Color:** Grey
- **Locking system:** Cylinder lock (2 keys supplied as standard)
