Key cabinet h42_42

Professional painted steel key cabinet with electronic lock, 42 hooks and dimensions 27x8x35 cm. Ideal for hospitality facilities.

The **professional key cabinet** is a solution designed for the safe and orderly management of keys in contexts where access must be quick but controlled. The structure is characterized by a **programmable electronic lock** with a 4-digit code, which allows for immediate customization and the possibility of varying the combination according to operational needs or staff changes. Robustness is guaranteed by a powder surface finish, resistant to wear and mechanical shocks.
