Key cabinet h42_43

Steel key cabinet with 100 hooks, electronic combination lock and adjustable bars. Dimensions 38x14x55 cm. Color grey.

This **key cabinet** is designed to offer centralized and secure management in professional contexts such as hospitality facilities, offices, shops, and logistics centers. The structure is equipped with an **electronic lock** featuring a 10-digit keypad, which allows the entry of 4-digit personal codes, ensuring fast and protected access without the need for physical keys for the main opening.

Internal organization is highly flexible thanks to the **adjustable hook bars**, which allow for adapting the spacing based on the size of the key rings. The cabinet is provided as a complete solution, already including key rings and numerical labels for immediate and precise cataloging.

Technical features
