

Key cabinet h738_71

Wall-mounted key notice board in aluminum and plexiglass, 90 slots. Dimensions 43.4x54.8 cm. Lock closure for secure management in offices and schools.

The **wall-mounted key notice board** represents a professional solution for organizing and protecting keys in high-traffic environments. Designed for indoor use, it solves the need to centralize access to offices, school classrooms, or technical rooms, ensuring that every set is always reachable and orderly. The combination of the **silver anodized aluminum** frame and the transparent door allows for efficient management without compromising security, guaranteed by the integrated lock.
