

Kindergarten coat rack h175_06

5-place wooden coat rack for school environments. Dimensions L100 x D1.5 x H15 cm. Essential and robust design, compliant with standards for schools, nurseries, and playrooms.

The 5-place coat rack is a furnishing accessory specifically designed for educational and recreational environments, where practicality and accessibility are essential. Designed for children, it promotes autonomy in organizing personal belongings (jackets, backpacks, hats) in common spaces such as hallways, classrooms, and recreational areas of primary schools, kindergartens, nurseries, and playrooms.

The **wooden structure** guarantees solidity and durability over time, while the **minimalist and sober** design easily integrates with various school furnishing solutions, without being invasive or distinctive.
