

Kindergarten coat rack unit h908_96

Preschool locker h908_96 made of durable material, 3 open compartments with hangers and beechwood feet, 100x45x100 cm. Ideal for child autonomy.

The **preschool locker h908_96** is a furnishing solution designed specifically for organizing changing areas in kindergartens and nurseries. The **three open compartments** structure is designed to facilitate immediate access to personal belongings, actively promoting **children's autonomy** in daily routines. The use of **beechwood feet** lifts the unit from the ground, protecting the base from residual moisture from cleaning operations and ensuring superior stability on different surfaces.

Technical characteristics

- **Structure:** Three open compartments configured for quick access and constant supervision of contents.
- **Included accessories:** High-resistance plastic hangers, specifically for supporting frequent loads of backpacks and jackets.
- **Support base:** Solid beechwood feet for thermal and mechanical insulation from the floor.
- **Overall dimensions:** W 100 x D 45 x H 100 cm, optimized for the ergonomics of preschool children.
- **Materials and finishes:** Smooth surfaces and finished edges for injury prevention, with easy-to-sanitize materials.
