

Kindergarten towel rack h175_04

Wooden towel rack with cup holder shelf, 10 slots. Dimensions: L100 x D10 x H24 cm. Ideal for bathrooms in schools, playrooms and kindergartens.

Towel rack designed specifically for school environments, playrooms and nurseries. This piece of furniture combines practical functionality and child-friendly design, solving the problem of organized towel management in high-traffic areas for children. Made of wood, it is built following accessibility standards for independent use by children, with hooks positioned at child-friendly height.

The **integrated cup holder shelf** represents a differentiating element, allowing for the safe placement of cups or other small personal items, reducing clutter and accidental falls in hygienic environments.
