

Knee-operated washbasin h509_10

Knee-operated washbasin. Dimensions: mm **W. 450 x D. 450 x H. 850.**

Professional washbasin for kitchens in hotels, restaurants, canteens, hospitals and laboratories. Wall-mounted washbasin made of steel **complete with knee control** to ensure maximum hygiene. To turn on the water, simply apply pressure on the button with the knee and thigh. The temperature can be adjusted using the mixer. For care and **maintenance** it is recommended to use only **neutral detergents** and avoid the use of abrasive sponges, blades or sharp and pointed objects. Rinse with plenty of water after each cleaning to keep the **product always shiny**.
