

Lacquered metal umbrella stand h413_83

Cylindrical painted metal umbrella stand Ø 25 cm with decorative bosses. Sturdy furnishing accessory available in two finishes.

The **painted metal umbrella stand** is a functional solution designed for organizing entrances in professional and residential contexts. Characterized by a solid structure, the design is enriched by **decorative bosses** that give dimensionality and a distinctive style to the accessory, allowing for harmonious integration into various types of furniture. The choice of metal as the primary material ensures superior stability and long-lasting resistance to daily use.

Technical features

- Material: metal with painting treatment
- Dimensions: diameter 25 cm, height 50 cm
- Aesthetic details: decorative bosses integrated into the structure
- Variants: available in two different surface finishes
- Geometry: self-supporting circular base
